Dear Mr. Proctor

I would like to thank you for your appearance here in Dubois, Wy. today. Your good example and excellence will be remembered by our youth for a long time. Kids today are not the same as we were, when we were their age. Few children today know how to work, or want to work and this attitude is hurting our country. When someone like you, successful, confident, hard working comes to town, it touches the hearts of the youth and inspires them to work toward their dreams.

Also, I had no idea you were so famous. I looked you up on the internet. I appreciate you taking time for the 4 young high school boys and the guitar class. I know our town is small, but it is a wonderful place to live.

Good luck in your travels. I used to do it, and know how stressful it can be.

Sincerely,

Jacqueline Fortier/Music Teacher K-12 Dubois, Wy
